3. The undersigned has reviewed and understands the contents of the above-identified specification, including the claims as amended and continues consent to this reissue proceeding.

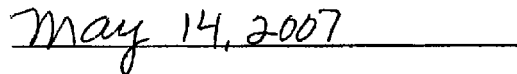

4. Every error in the patent, which was corrected in the present reissue application, and is not covered by a prior oath/declaration submitted in this application, arose without deceptive intention on the part of the assignee and, to the assignee's knowledge, the applicants.

5. The undersigned is authorized to act on behalf of the assignee, Diversi Plast Products, Inc.

6. All statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
